

CITRUS CLEANER

CITRUS-BASED CONCRETE FLOOR STRIPPER

PURPOSE

CITRUS CLEANER is specifically designed for stripping, degreasing and cleaning all types of concrete surfaces. This environmentally safe product is suitable for applications in warehouses, industrial plants, food processing, manufacturing facilities, parking garages and other concrete structures.

CITRUS CLEANER is ideal for removing tire marks, oil spills, grease and other contaminants from concrete surfaces. It will also remove typical curing compounds and acrylic sealers used for concrete floor construction.

DESCRIPTION

CITRUS CLEANER is a heavy-duty, citrus-based stripper, degreaser and cleaner. The citrus-scented and biodegradable-solvent combination is environmentally safe and VOC compliant.

PACKAGING

CITRUS CLEANER is packaged in 55 gallon (208.2 L) drums and 5 gallon (18.9 L) pails.

STANDARDS

CITRUS CLEANER meets the V.O.C. emission requirements for cleaners and degreasers.

SPECIFICATIONS

Color	Amber
Emulsifiable	Yes
Odor	Citrus-scented
USDA approved	Yes
Viscosity	1.0 cps
Weight/gallon	7.14 lbs

APPLICATION

Storage: Containers should be tightly closed and properly stored. Prevent accumulation of water, dirt or other residue on covers.

Methods: For normal cleaning, apply CITRUS CLEANER to the entire surface with a brush. Allow product to remain on the surface for 20 minutes before scrubbing with a stiff broom or floor scrubber. Rinse the surface with water, then squeegee or vacuum dry.

For heavy-duty cleaning, use CITRUS CLEANER for just the areas with heavy build-up. Follow this spot treatment with an entire surface application. Reapply as necessary for extremely dirty or stained surfaces.

Coverage: For normal cleaning, apply with a brush at a rate of 400-500 ft²/gal (9.8-12.3 m²/L). Apply material uniformly, avoiding spills or excessive application.

For heavy-duty cleaning, apply with a brush at a rate of 100-200 ft²/gal (2.5-4.9 m²/L). Apply material uniformly, avoiding spills or excessive application.

Unusual applications or conditions may require the technical assistance of a Symons representative.

CLEAN-UP

If tools and equipment are still wet with CITRUS CLEANER, then rinse thoroughly with clean water.

If tools and equipment are dry, then use CITRUS CLEANER to soften and rinse thoroughly with clean water.

LIMITATIONS

CITRUS CLEANER is designed for concrete and masonry surface applications only. Do not use on any painted surfaces.

CITRUS CLEANER is nonhazardous, but the materials that it removes or dissolves might be considered hazardous and disposal regulated by local, state, federal legislation.

SHELF LIFE

Shelf life of properly stored CITRUS CLEANER is approximately one year.

PRECAUTIONS

It is mandatory to take the following precautions to protect workers and the public:

1. KEEP OUT OF THE REACH OF CHILDREN.
2. The product is solvent-based and combustible. Keep away from excessive heat and open flame.
3. Avoid inhalation of vapors. Ensure adequate ventilation.
4. Avoid contact with skin. Protective clothing is recommended. Contact areas should be thoroughly washed with soap and water.
5. Avoid contact with eyes. Protective goggles are recommended in case of splashing. Flush eyes with water if contact occurs.
6. Avoid ingestion of material. If ingestion occurs, contact a poison center or physician.

Additional precautions, safety information and first aid treatments are contained in the Material Safety Data Sheet.

WARRANTY

Symons warrants, for 12 months from the date of manufacture, or for the duration of the published product shelf life, whichever is less, that at the time of shipment by Symons, the product is free of manufacturing defects and conforms to Symons' published specifications in force on the date of acceptance by Symons of the order. Symons shall only be liable under this warranty if the material has been applied, used, and stored in accordance with Symons instructions in this technical data sheet.

The purchaser must examine the product when received and promptly notify Symons in writing of any nonconformity before the product is used, or no later than 30 days after such nonconformity is first discovered. If Symons, in its sole discretion, determines that the product breached the above warranty, it will, in its sole discretion, replace the nonconforming product, refund the purchase price or issue a credit. This is the sole and exclusive remedy for breach of this warranty.

Only a Symons officer is authorized to modify this warranty. The sales information on the Symons website and received by the customer during the sales process does not supersede this warranty and the specifications of the product in force on the date of sale. **THE FOREGOING WARRANTY SHALL BE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER WARRANTIES OTHERWISE ARISING BY OPERATION OF LAW, COURSE OF DEALING, CUSTOM, TRADE OR OTHERWISE.**

LIMITATION OF LIABILITY

Symons shall not be liable, in contract or in tort (including, without limitation, negligence, strict liability or otherwise) for loss of sales, revenues or profits; cost of capital or funds; business interruption or cost of downtime, loss of use, damage to or loss of use of other property (real or personal); failure to realize expected savings; frustration of economic or business expectations; claims by third parties (other than for bodily injuries), or economic losses of any kind; or for any special, incidental, indirect, consequential, special, punitive or exemplary damages arising in any way out of the performance of, or failure to perform, this Agreement, even if Symons could foresee or has been advised of the possibility of such damages. The Parties expressly agree that these limitations on damages are allocations of risk constituting, in part, the consideration for this agreement, and also that such limitations shall survive the determination of any court of competent jurisdiction that any remedy provided in these terms or available at law fails of its essential purpose.
